Fax: (607) 762-8110

March 16, 2020

Dear Binghamton Families,

Please be advised that the closure of schools for students also includes the closure of all building facilities. This includes school playgrounds and athletic fields. There will be no school events or extracurricular activities. All previously scheduled events within our facilities for outside groups (i.e., use of our pools, gymnasiums, theaters) will no longer be allowed at this time.

Our main offices will remain open for phone calls, and staff will be responding to email during the hours of 8 a.m. to 3 p.m. No unsolicited visitors will be allowed to enter our facilities, in order to ensure there is no disruption to the increased measures we are taking to clean our facilities. This will remain in effect until April 14, when we will reassess the situation.

All updates regarding our response to Coronavirus (COVID-19) can be found on the district website. We encourage you to download the district app so that you may also receive a notification when updates have been added.

Thank you for your support and understanding. No matter what arises, our commitment to the health, well-being, and education of our students will be our highest priority.

Sincerely,

Dr. Tonia Thompson  
Superintendent of Schools
